

ILA MEMBERS DEMAND DIRECT ELECTIONS

To the ILA Executive Council:

We demand direct elections -- one member, one vote -- for all officers and delegates of our local, regional, national and international ILA. Only by democratically electing our union leadership can we drive out corruption and put the power of our union in the hands of the rank and file membership.

We are all loyal ILA members in good standing, and we demand our union rights: to discuss, argue, advocate, and campaign free from discrimination and retaliation, and to hiring free of discrimination, retaliation, and favoritism.

Respectfully,
